Sensitivity: Confidential

All,

MDS has signed this Amendment and you should receive tomorrow. Please sign and return one original.

Kim

Kim,
Attached is an amendment to Project Agreement 1 to correct an error contained in the first amendment to this project agreement. Please print off two of this document and have them signed on behalf of MDS and return them to me. I will obtain signatures on behalf of Philip Morris and will return one of the fully signed documents to your attention. Thanks.
Bristow
